

## Poconos To "Backup" Wall Street

<http://wilknetwork.com/pages/561178.php?contentType=4&contentId=592493>

Governor Ed Rendell, along with Wall Street West, a federal and state funded program created to develop a total back-up solution for New York City financial institutions in the event of disaster, have announced plans to build a fiber optic network connecting lower Manhattan with Northeastern Pennsylvania.

Level 3 Communications, based in Colorado, was selected to build the \$25 million line.
